### Important Disclosures

1 The maximum financing amount an applicant is eligible for will be determined based on the homeowner's annual income and the amount of available equity. Not all products and projects are eligible for 20 year financing. The term available will be determined depending on the expected useful life of the product(s). RenewPACE financing is subject to approval. Underwriting requirements and restrictions apply. RenewPACE financing is secured by a lien on the subject property and may be required to be repaid upon refinance or sale. Homeowners should perform due diligence before selecting a home improvement contractor. RenewPACE financing is private financing that must be repaid in full. RenewPACE financing is not a government subsidy. Homeowners are encouraged to use RenewPACE financing responsibly.
